The Synod Corner: The Gift of Children to the Community of Believers

Reflection: Children and teens remind us that wonder and faith go hand in hand. The Synod invites us to listen to them—not just teach them—because they have an instinctive grasp of God's love that adults can easily forget.

The Final Document #61 "Within the Christian Community, special attention should be given to children. Not only do children need accompaniment in their growth, but they have much to give to the community of believers. When the apostles argue among themselves about the greatest, Jesus puts a child at the centre, presenting the child as a criterion for entering the Kingdom (cf. Mark 9:33-37). The Church cannot be synodal without the contribution of children, who are bearers of missionary potential. The voice of the child is needed for the community. We must listen to children and make efforts to ensure that everyone in society listens to them, especially those who have political and educational responsibilities."

Reflection Question: What can adults learn from the way children and youth experience God?

El Rincón del Sínodo: El regalo de los niños a la comunidad de creyentes

Reflexión: Niños y adolescentes nos recuerdan que el asombro y la fe van de la mano. El Sínodo nos invita a escucharlos—no solo a enseñarles—porque tienen un instinto del amor de Dios que los adultos pueden olvidar fácilmente.

El Documento Final #61 "Dentro de la comunidad cristiana, hay que prestar atención especial a los niños. No solo tienen necesidad de ser acompañados en la aventura de crecer, sino que tienen mucho que aportar a la comunidad de los creyentes. Cuando los apóstoles discuten entre ellos quién es el más grande, Jesús pone en el centro a un niño, presentándolo como un criterio para entrar en el Reino (cf. Marcos 9:33-37). La Iglesia no puede ser sinodal sin la aportación de los niños, portadores de un potencial misionero que hay que valorizar. Su voz es necesaria para la comunidad: debemos escucharla y comprometernos para que todos en la sociedad la escuchen, especialmente los que tienen responsabilidades políticas y educativas."

Pregunta de reflexión: ¿Qué pueden aprender los adultos de la forma en que los niños y jóvenes experimentan a Dios?
