1. **Additions or deletions to the agenda** -Susan-QCC visibility in Hub, Cheryl- Check continuation of Board with Kevin and name badges. Kevin agreed to continue.
2. **Approve minutes from March 12, 2025** -Approved. Susan/Cheryl.
3. **The Quincy Hub updates from Tori** -Working on collateral from Sierra Buttes Trail and FR Land Trust. There is some confusion with job responsibilities between IVIH and QCC and she would like to get clarification. She still hasn't received her job description from IVIH/Made in Plumas. We need to get our monthly meeting with the IVIH board set up (Cheryl) to clear up job duties, direction of employee and name tags (logo).
4. **Interviewing for new employee** -Two applicants need interviewing. The board is available on 4/1 or 4/2 at 7:00am. Cheryl will get them set up and let us know which day.
5. **Next Mixer / High Sierra Music Festival** -Tuesday 5/6/25 5:30 at MusicLand inside the Toy Store. KD and Dave Margulies are working on having a local presence at HSMF and would like to have local info and volunteers to work it. They would like to have a show of local support and may even put the chamber's logo on the wristbands and KD would pay for that. There is talk of local tickets being discounted more substantially than before and perhaps sold at the Hub.
6. **Norton Rally update**- June 16-June 21, 2025. We will get the word out in our newsletter and see if anyone would like to participate in their raffle. They will be trying to send their visitors to the merchants town.
7. **Public perception about the Chamber** -add QCC visibility and name badges-For QCC board members and employees, we will purchase name tags. For volunteers, we need to discuss with IVIH about the logo that we should put on the name tag, as they aren't really volunteering for the chamber. Need a Quincy Hub logo? There was a discussion with a local merchant that some people are questioning our plan for the Disaster funds

that we have. We need to address that in our strategic plan. It was suggested that we send out a survey to our members asking what they would like from us and how we could achieve it. The Board took a walk around inside the Hub to see how the Chamber represented itself, and we agreed that the chamber's presence needs to be readily identifiable, and it currently is not. We need to clarify the boundaries within the building so that our space remains uncompromised. We will bring that to the joint board meeting.

8. **Strategic Plan review & update** -Heldover for next meeting. Be thinking of ideas for the strategic plan.
9. **Schedule next meeting / Agenda topics** -4/11/25 7:00 am
10. **Adjourn** 8:19 am
