

THE BUSINESS OF U 2027 IS WHERE PURPOSE MEETS PERFORMANCE.

This high-energy, immersive experience brings together Southwest Florida's most driven business leaders and teams for a day designed to inspire growth, strengthen leadership, and create real momentum. The experience is intentionally designed to foster meaningful, high-value connection—placing your team and your brand in the room with like-minded leaders, decision-makers, and influencers. This isn't just an event you attend; it's one you bring your team to—where powerful insight, authentic connection, and an atmosphere that's both impactful and genuinely fun come together.

WHY SPONSOR BUSINESS OF U?

Because this is more than visibility—it's intentional engagement. Sponsorship positions your brand within a highly engaged community of leaders, with meaningful visibility leading up to and throughout the event experience. Each sponsorship tier is thoughtfully designed to reflect different levels of presence, connection, and impact—offering opportunities to invest in people, elevate your brand, and align with a movement and community, not just a moment.

Each sponsorship tier below reflects a different level of visibility, access, and alignment—allowing your brand to engage in a way that best fits your goals.
