# HIGHLAND CHURCH

## This Month's Reflection

### ***A Vision to Grow***

*Devotional from Subash Cherian, Senior Pastor*

Growth is not accidental, it is intentional. In nature, healthy things grow. In the same way, God desires that His people grow spiritually, relationally, and in purpose.

A vision to grow begins with surrender. Before there is an increase, there must be rooting. When we stay planted in Christ, in His Word, in prayer, and in fellowship, growth becomes the natural result. Yet growth is not always comfortable. Seeds must break before they bloom. Pruning comes before greater fruitfulness. What feels like stretching may actually be God expanding your capacity.

As a church family, our vision is not simply to grow in numbers, but to grow in depth, deeper faith, deeper love, and deeper commitment. When we grow inwardly, God brings increase outwardly.

I encourage you to continue this journey with us by watching the full "A Vision to Grow" message series on our YouTube channel. Allow the Word to challenge you, strengthen you, and stir your heart toward the next level God has for you.

Growth begins with one step of obedience. Let's take that step together.
