# FROM SEED TO STRENGTH

SUBASH CHERIAN, SENIOR PASTOR

As we enter May, we are reminded that this is a season of growth. Just as we see new life blooming all around us, God is also at work within us, shaping, strengthening, and maturing our faith.

Growth in the Spirit doesn't happen overnight. It takes time, patience, and consistency. There are seasons when we feel strong and fruitful, and others when growth seems slow or even hidden. But take heart, God is faithful to complete the work He started in you.

This month, I encourage you to remain rooted in God's Word, committed to prayer, and connected to the body of Christ. One of the ways we stay encouraged and continue growing is by staying engaged beyond Sunday.

I invite you to take a moment this week to visit [www.highlandny.org](http://www.highlandny.org), where you can access sermon notes, stay updated on upcoming opportunities, and find ways to get involved.

You can also stay connected throughout the week by watching and sharing messages on YouTube (@theHighlandNY), following us on Facebook, or listening to weekly teachings on Apple Podcasts (Highland Church New York). These are simple but powerful ways to keep God's Word before you daily and to grow together as a church family.

Don't be discouraged by where you presently are, focus on where God is taking you.
