

SECTION 8 INFORMATION

CityLife Residential has a number of available apartments and single family homes that accept Section 8. Below is information to be aware of when using a Section 8 voucher for one of our properties:

- The first thing to look at is whether your voucher is City or County authorized. City would be from HACP and County would be from ACHA.
- Based on your voucher, ensure you check the bedroom amount the voucher allows for.
- Applicants still go through the normal screening process in place for CityLife Residential
- CityLife Residential will complete an approval request (RFTA) for the resident to move in to the property.
- Our homes are inspected to ensure they are up to Section 8 standards.
- Applicants may move in after the inspection has passed and your utility accounts are created. Your HACP/ACHA lease will be available in the following weeks.
