FC Dutchmen Surf 2026-27 Uniform Update

Dear FC Dutchmen Surf Families,

Recently, **Surf Nation** released a press announcement unveiling the new uniform packages for the **2026–2027 season**. This understandably raised some questions within our FC Dutchmen Surf families, especially since uniforms were just purchased last year. We want to take a moment to clarify what this means for our current players.

Current Surf families will not need to replace the uniform kits purchased this past year. When we initially joined Surf, we were not required to purchase the full uniform package in year one. This was done intentionally to help keep costs lower for families during our transition into Surf.

For the upcoming season, **returning players will only need to purchase the new away kit** to complete the full uniform package. This updated kit includes the new **black** “World Cup” jersey, shorts, and socks, with an estimated total cost of \$130–\$140.

Additional details will be shared following **June tryouts** for both new and returning players.

We’ve also included the **official promotion video** for the new kit as an attachment—check it out, it’s a great look and very exciting for the club!
