FC Dutchmen Surf Boys Accepted into ECNL Regional League

Schenectady, NY — FC Dutchmen Surf is proud to announce its acceptance into the ECNL Regional League (ECNL RL), providing players with a nationally recognized competitive pathway and enhanced opportunities for development, exposure, and advancement.

The addition of ECNL RL competition represents another significant milestone in the club's commitment to delivering a high-performance environment that challenges players while supporting their long-term growth. The ECNL Regional League is one of the nation's premier youth soccer platforms, designed to reward performance and create meaningful pathways for players and clubs.

FC Dutchmen Surf will begin ECNL RL competition in the upcoming season, offering players the opportunity to compete against top clubs throughout the region while continuing to benefit from the club's proven player development model and Surf Nation resources. FC Dutchmen Surf emphasizes a pathway that develops players from foundational stages through advanced levels of competition and college recruitment opportunities.

"Joining the ECNL Regional League is a tremendous opportunity for our players and families," said Micheal Kinnally Executive Director "Our mission has always been to provide the best possible environment for player development. ECNL RL delivers the level of competition that challenges players every week, accelerates their growth, and prepares them for success at the next level. We are excited to compete against top clubs while continuing to create meaningful pathways for our athletes to achieve their goals."

The move reinforces FC Dutchmen Surf's ongoing investment in coaching, facilities, and player development, while expanding opportunities for players throughout New York's Capital Region.
