Female client is looking for help with shoveling snow from her stairs and around her car as needed.

Westfield

A female client is looking for help snow blowing her driveway when the snow fall is 3 inches or more. She has a Snow Blower available to use, she just cannot move it herself. The driveway is straight, flat, and that it would take 30 minutes to an hour (depending on the amount of snow accumulation).

TECH FOR TODAY

Our ***Tech for Today*** program aids our elder community members by helping them clear technology hurdles using computers, tablets, cell phones, and the Internet.

We are seeking volunteers to assist us in growing our Tech for Today support network. If you are tech savvy and can patiently take others through the steps they need to be connected, you may be our next Digital Champion!

For more information and to apply to volunteer, contact our Tech for Today Coordinator, Neil Glassman, by email on nglassman@nekCouncil.org or phone (802) 745-2284. Volunteers are required to complete a background check and volunteer travel mileage is reimbursed.
