

WEST USK LIGHTHOUSE
— WEDDING VENUE —

2027/2028

WELCOME TO WEST USK

The West Usk Lighthouse is a unique and quirky wedding venue, steeped in history - that offers guests something really special. The lighthouse is over 200 years old and still offers fantastic views over the estuary and surrounding countryside.

We are a small family run business (since 1990!), and so we are more than happy to tailor your needs for your special day.

With our large heated marquee and bar, we can now offer a larger number of guests, while still allowing you to bring your own caterers - bring your own food and drinks - no corkage fee!

In 2018 we won two wedding awards - Wedding Venue of the Year for South East Wales at the Welsh Awards, and Best Wedding Venue in Newport from the V Awards. We aim to please! Just get in contact to book a viewing and have a look around- we'll be more than happy to discuss your needs further.

THE CEREMONY

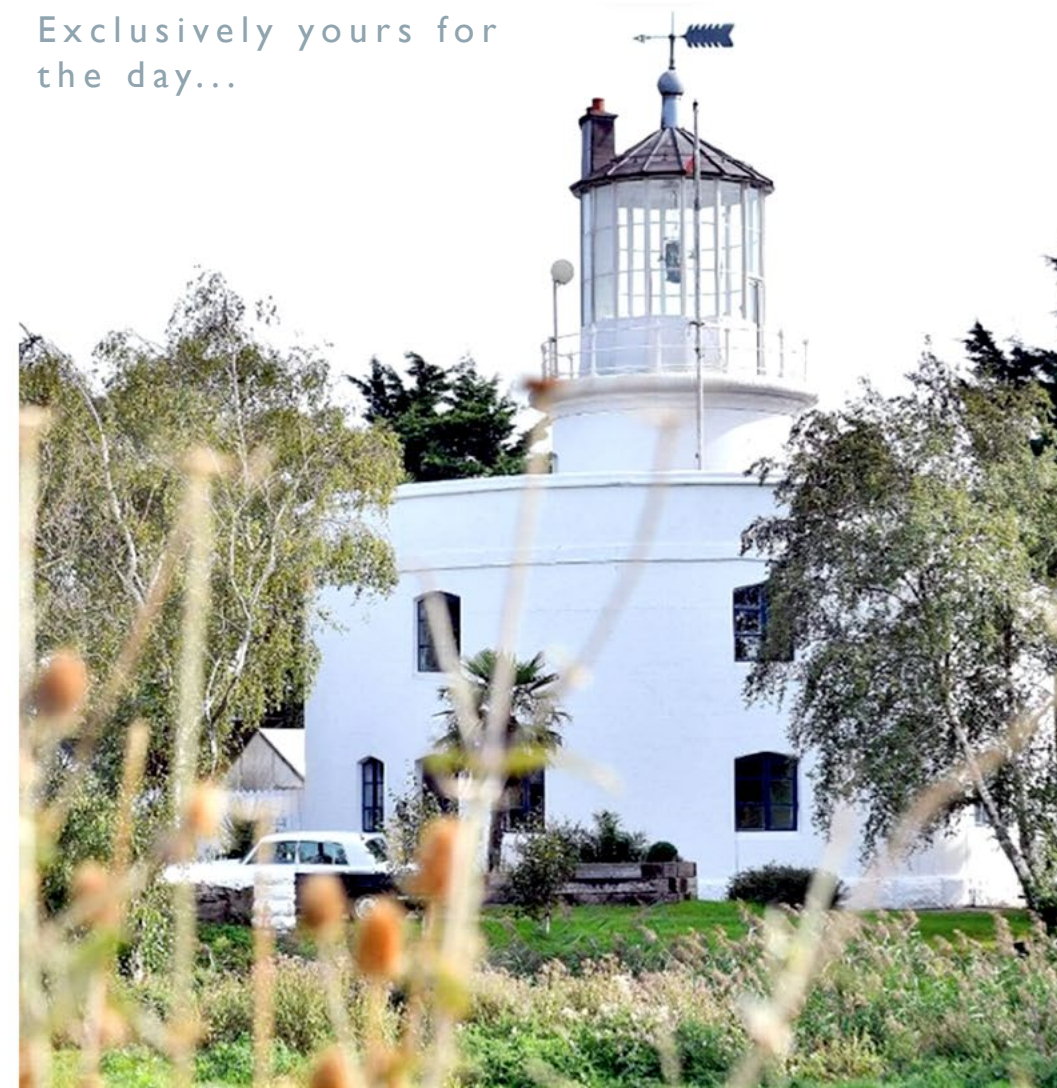

Our marquee is licensed to seat up to 100 guests for a ceremony, and 100 for a sit down dinner. We are also able to offer outdoor ceremonies on the sea wall which overlooks the water (weather dependent of course!).

We have been hosting wedding ceremonies at the lighthouse since 2012. Every wedding has been different, no two have been the same. We are not a corporate company and so you have a little more freedom to create something tailored to you.

If you need help, we have a host of recommended suppliers who can dress the marquee and bring your vision to life. We can provide chair covers and sashes for free if you would like them.

Exclusively yours for the day...

EVENING RECEPTION

Our marquee can seat up to around 100 guests for dinner. We are happy to offer our suppliers list to find something suitable for you.

You can hire your own caterers, whether that's to host a traditional 3 course dinner, a buffet, or something more informal like fish and chips!

We don't charge a corkage fee, so you are free to bring your own drinks and self serve, or hire a supplier and a bar member.

You are welcome to hire a DJ, or a live band. We also have a bluetooth audio system if you would prefer to play music straight from your phone, for the dance floor.

Let us know if you would like a firework display, as this can also be provided, there are no neighbours here to complain!

Choose your own caterers...
