Dear Friends,

The Breastfeeding Resource Center (BRC) warmly invites you to partner with us for our annual **Benefit Ball on Thursday, May 7th, at North Hills Country Club, Glenside, PA**

This year's event supports our Holly Program, which provides free in-home and office lactation visits to families insured by Medicaid. Last year alone, more than 400 visits were provided at no cost — ensuring that every parent, regardless of income, receives expert support during the critical early days of their baby's life.

We are currently seeking raffle and auction items to help make the evening a success. Popular items include:

- Gift cards (restaurants, retail, services)
- Family experiences
- Spa or wellness packages
- Themed gift baskets
- Event tickets
- Professional Services
- Fitness memberships
- Unique local experiences

Your donation will:

Be prominently displayed at the event. It will include recognition in our printed program and online promotion. It will showcase your business to an engaged, community-minded audience and directly support maternal and infant health in our region

The Benefit Ball draws healthcare professionals, community leaders, and families who are deeply invested in supporting parents and babies. We would be incredibly grateful for your consideration of an in-kind donation. I would be happy to arrange pickup or provide any documentation you may need for tax purposes. **Thank you for helping us give families the strong start they deserve.** Use this [FORM](#) or QR code to tell us about your donation.

Sincerely,

Tax ID: 23-3049543
