Alternatives  
Care Centers

AUGUST  
**27**

Our Mission: To promote the value of human life  
by serving the unborn and their families with the love of Jesus Christ.

## Client Story

An STI client recently came to Alternatives after first calling Planned Parenthood, where she was told they did not have an appointment available soon enough. A friend had already been talking with her about Jesus, planting seeds of faith. During her visit, after receiving care, our nurse prayed with her and gently asked if she would like to accept Jesus as her Savior. With a sincere heart, she said yes!

God is truly at work through the ministry of Alternatives—meeting needs, opening doors, and drawing hearts to Himself.

### Education

As Sue, one of our educators, was leaving the Gospel Mission after teaching a Parenting 101 class, she noticed a young mom sitting on the sidewalk with her baby girl. She complimented the little one's beautiful outfit, and the mother, beaming with pride, shared that her baby was just 5 ½ weeks old and that she had found the outfit for under \$5.

Sue introduced herself and told her about Alternatives, focusing on the resources available in our clothing room. The mom was surprised to hear a place like this even existed. As they continued talking, she mentioned she also has a 3-year-old son and had been searching for a double stroller since before her daughter was born. Sue gave her a card and encouraged her to make an appointment to learn more about the support available for her and her children.

A week later, Sue saw her again—and this

time, the young mother was eager to share some good news. Her sister had found a double stroller set out on the curb, in excellent condition, and had brought it to her. Even more, her sister had taken her to Alternatives, where she received clothing for both children, diapers, and the pull-ups she so badly needed. God is using everyday encounters to meet needs, build relationships, and remind families that they are not alone.

Pray that true life-change will happen for our clients as we share the love of God with them.

Ask the Lord to call men and women into this ministry—to give generously of their time, talent, and treasure for His glory.

Please pray for the men from our original *Faithful Fatherhood* group that they will continue to have fellowship and strengthen their relationships beyond the group setting. As the next Battle Creek *Faithful Fatherhood* group begins on September 30, pray that each man will come with an open heart, ready to receive all that God has for them during their time together.

## The Clinic News

- In July, we launched a 24/7 nurse chat through Infinite Worth that can be found on our website. This service is already being utilized!
- Online self-scheduling for pregnancy test appointments is now available, allowing clients to schedule at their convenience.
- We recently hosted an in-service training session for staff and volunteers focused on engaging the next generation in conversations about sexual risk avoidance. The session was both powerful and deeply impactful!
- Client Story: A first-time client, grieving deep losses and feeling alone, heard about God's love, received a *Knowing God Personally* booklet, accepted prayer with tears, and left grateful for the hope and care she found.

## Volunteer Highlight

### Grant

Male Advisor / Faithful Fatherhood Leader  
3 Years

Serving at Alternatives is an opportunity for me to serve God by serving others. I serve at Alternatives because the people of the organization love God, and they let His love flow out to others who are in need in our community. Alternatives is a family of brothers and sisters that love Jesus and who are living out the mission of promoting the value of human life and serving the unborn and their families with the love of Christ. I have the opportunity and the privilege of listening and talking with fathers about how their walk with Jesus can help them be better men and fathers. I've been a male advisor at Alternatives for about 3 years, and it continues to be a blessing to me to meet and serve people in our community.
