

# Night of Community Prayer and Worship FAQs

**Tell me more about the event:** The evening will begin with praise and worship led by a multi church worship team of pastors and leaders from Calhoun and Kalamazoo Counties. There will be intentional moments of prayer and encouragement, followed by a concert with recording artist Mark Schultz.

**A little bit about Mark Schultz:** Mark is an award-winning Christian artist with a passion for pregnancy care centers, as it's his chance to share his story and give back to the very organizations that helped save his life. Through music, humor, and storytelling, Mark will share his powerful testimony of adoption and the organizations that helped save his life. More than just a concert, this event is a heartfelt call to prayer, boldness, compassion, and action.
