

Mission in Motion

Alternatives
Care Centers

JANUARY
2026

Our Mission: To promote the value of human life by serving the unborn and their families with the love of Jesus Christ.

celebrate
the Sanctity of Human Life Month

Start the new year with us
as we welcome Mark Schultz on January 29th.

Message from our Executive Director

I heard recently that there comes a point in January when you shouldn't wish "Happy New Year" any longer because the holiday is in the past. I think I'll take the risk of pushing the envelope and boldly wish each of you a **HAPPY NEW YEAR!**

2026 has come in with quite a bang. I have heard from many people of the trials and difficulties that have already happened in the first half of January. Maybe your year has started off challenging as well. I'd love to share some verses to remind us of God's faithfulness and love in whatever circumstances you are facing or may face in the coming year.

"Blessed is the man who trusts in the Lord, whose trust is the Lord. He is like a tree planted by water, that sends out its roots by the stream, and does not fear when heat comes, for its leaves remain green, and is not anxious in the year of drought, for it does not cease to bear fruit." Jeremiah 17:7-8

On January 29th, we will be hosting a night of worship and prayer to celebrate the value of human life. I know life is busy, and there are many good things that need our attention. I boldly ask that you make this night a priority as one of those good things. As a Christian community, let's come together to stand for LIFE while we link arms with fellow brothers and sisters in Christ to worship Jesus together in truth.

Families are welcome. If your life group meets on Thursday, consider having your meeting at GRACESPRING Bible church, where we'll worship, pray, and uplift one another as we stand united FOR LIFE! We look forward to worshipping with you and celebrating the value of human life together!

Alternatives Care Centers

A Night of Community Prayer and Worship Benefit Concert

Thursday, January 29th, 2026

gracespring Bible Church

6:30-8:30

Doors open at 6:00

Alternatives Care Centers invites you to an evening of praise, worship, and prayer as our community comes together to lift high the name of Jesus and celebrate the sanctity of human life. The evening will begin with praise and worship led by a multi-church team of pastors and leaders from Calhoun and Kalamazoo Counties, culminating in a concert with recording artist Mark Schultz. This event is free and open to all. A free-will offering will be taken, and all proceeds will benefit the mission of Alternatives Care Centers.

About Mark Shultz:

Mark has a passion for pregnancy care centers because it's a chance to tell his story and to give back to the very organizations that helped save his life. Through music, humor, and storytelling, Mark will share his powerful testimony of adoption and illuminate God's highest call: to rise up as champions, standing in the gap for others when it matters most. This is more than a concert. It's a call to prayer, boldness, compassion, and action.

"What these organizations are doing is saving lives," says Schultz. "And I'm one of those lives."

Abortion Recovery

Abortion Recovery at Alternatives offers a small group Bible study with women who have also had an abortion and have received healing and learn about forgiveness through Jesus.

[Current Abortion Recovery Flyer](#)

A recent participant shared with us her heart after going through the Bible study:

"I feel like God truly opened my eyes to much of what the devil had taken from me in this secret shame that I felt like I had to live in for so many years. I know I am righteous. I know I am loved. I know He has my child in heaven and that one day I'll meet her. I know that as more and more of us open up with our stories the lies of the enemy will quiet and this industry will shut down. I pray that comes soon."

The next group will meet at our Battle Creek Clinic starting on Wednesday, February 4th, from 6 pm - 7:30 pm. This is an 8-week program with all materials are provided.

Clothing Room Needs

! Urgent Needs

Alternatives provides material assistance to our clients. We accept gently used items such as maternity outfits, children's clothing sizes preemie - 5T, toys, and strollers.

Our current urgent needs include:

- **Baby Wipes**
- **Diapers: Size 4 & 5**

Amazon Wish Lists

While most items for our clothing room are donated to us, additional items can be found on our Amazon Wish Lists, such as diapers, formula, wipes, and car seats, which must be new and in the original packaging. If you wish to help fulfill these needs, please click below.

New Business Partners Webpage

We have a new business partners page!

For over 40 years, Alternatives has been supported by individuals, churches, and business partners dedicated to serving our community. We're honored to highlight businesses that share our convictions and reflect the love of Jesus.

We encourage you to support these business partners and thank them for their faithful commitment to Alternatives.

Join Our Team - Current Staff Positions

Registered Diagnostic Medical Sonographer

As a Registered Diagnostic Medical Sonographer (RDMS), you will combine your technical expertise with compassionate patient care. Your primary responsibility will be performing limited obstetric ultrasounds to verify pregnancy, providing clients with both information and reassurance.

This role calls for strong clinical skills, excellent communication, and the ability to connect positively with clients and collaborate effectively with staff. Make a meaningful impact while using your expertise to support families in our community.

Clinic Quality Assurance Director

Are you a state-licensed RN passionate about making a difference in people's lives? As our Clinical Quality Assurance Director, you will lead the development, implementation, and ongoing management of all Alternatives medical programs, ensuring excellence in care and compassionate service to every client.

This is more than a leadership role—it's an opportunity to shape programs that transform lives, support families, and advance our mission in the community.
