SANCTITY OF Human Life EVENT

FAQs

Alternatives Care Centers
A night of community worship and prayer

Featuring Christian Artists, The FIGS

Tell me more about the event: This January, Alternatives is hosting an evening of worship and prayer to honor the Sanctity of Human Life. We welcome the FIGS musical duo, Bailey Gillen and Micah Yoder, who began their career at Gull Lake Ministries, leading worship for summer camp, retreats, and conferences. They gained viral attention on social media, notably through a unique Instagram parody series that caught the attention of artist Forrest Frank and led to their hit collaborative single "LEMONADE" in 2025. The FIGS are excited to be back in Michigan, leading worship with their hometown family.
