

The Impact of Your Gift

Every dollar you give helps Singing City lift voices, build community, and share music that brings people together. Your generosity sustains the real costs that make harmony possible—month after month, concert after concert.

Your commitment to Singing City makes this possible when you are a monthly supporter:

- \$100 – Helps offset performance venue costs
- \$90 – Assists with rehearsal expenses
- \$50 – Supports artists fees and honoraria
- \$25 – Assembles choral risers
- \$21 – Funds a singer scholarship
- \$20 – Buys the season's music for a singer
- \$17 – Tunes the rehearsal piano
- \$15 – Provides bus transportation for youth
- \$10 – Purchases choral binders
- \$6 – Supplies official singer attire
- \$5 – Buys music for one singer for a concert

No matter the size, every gift plays a part in this vocal movement—keeping our doors open, our music in hand, and our voices raised for connection, courage, and community.

Singing City

2025-2026 Friends Drive

Every voice matters.

A Living Model of Democracy in Song

When Singing City was founded in 1948, Dr. Harold Haslam described choral singing as “a living model of democracy—a place where every voice matters.”

That vision still guides us today. Singing City has always been more than a choir—it’s a vocal movement for connection, courage, and community.

Every rehearsal, concert, and outreach program reflects our belief that harmony—both musical and human—is something we build together. In a divided world, our shared song reminds us who we are when we listen to one another.

The Power of Community Through Song

Your support helps Singing City use music as a bridge—connecting generations, communities, and traditions across Philadelphia.

Here’s how your generosity makes an impact:

In the Choir Room: Over 100 singers rehearse weekly, learning the art of listening and collaboration.

In the Community: Outreach programs bring live choral music to schools, senior centers, and civic spaces across the city.

In the Next Generation: Student scholarships and transportation assistance ensure that every young voice can participate.

In the Arts: Commissions and collaborations with local composers amplify diverse and underrepresented voices.

**Every Voice Matters.
Every Month.**

Ways to Support Singing City

Annual Friends Drive

Contributions to Singing City's Annual Friends Drive are of crucial importance because they are used to support the operating budget of the Choir. Friends Drive gifts are spent throughout the year on operating needs such as our formal concert series, T-VOCE (Teen Voices of the City Ensemble), community concerts, and our concert series. These funds have the broad-est impact on Singing City and its audiences. You can opt in to monthly giving through our secure online donor platform: Bloomerang.

Corporate Matching Gifts

More than 2,000 companies offer employee matches to contributions. Check with your Human Resources office to see if a match is possible.

Concert Sponsorship & Program Advertising

Support the choir with concert program advertising or becoming a sponsor. Your program ad appears in all four concert programs for the season, reaching over 2000 audience members.

Planned Giving

A bequest is one of the easiest ways to provide future support to Singing City. Remembering the Choir in your estate planning ensures that the mission and work of Singing City will endure for generations.
