

KCTWS Registration Grant Application

The Kansas Chapter of The Wildlife Society is offering student registration grants for The Kansas Natural Resource Conference. This is a reimbursable grant meaning that proof and receipt of registration will be required before receiving funds. You may fill in the form by typing the information and either checking the circles using the Draw tools or highlighting which categories apply. Please send the completed application to kschapterwildlifesociety@gmail.com. Selected applicants will receive a check in the amount of the registration cost in person at The Kansas Chapter of The Wildlife Society annual business meeting at The Kansas Natural Resource Conference.
