

MESSAGE FROM THE CAMPUS MANAGER

Hello Alpha Students,

Welcome to the October edition of Alpha Connect! This edition is dedicated to Truth and Reconciliation. On September 30, we honoured the children who never returned home from residential schools, and the Survivors, families and communities who continue to carry that legacy. As a college community built on care, reconciliation starts with each of us: listening, learning, and treating every person with dignity and respect, in class, on placement and beyond.

Let's make this a meaningful month!
