

TOP TRADERS INC.

Product Catalog

Who Are We?

Founded in 2008, Top Traders set out with a clear mission: to provide high-quality packaging materials tailored to the needs of supermarkets and cash-and-carry retailers across Puerto Rico. Over the years, the company has grown rapidly—expanding both its client base and product offerings. Today, our portfolio includes premium-quality cleaning solutions, industrial-grade chemicals, janitorial accessories, supermarket carts, and a wide range of disposable packaging products, including eco-friendly options as well as traditional plastic and foam solutions. With a dedicated team of over 30 professionals, including sales representatives and customer service specialists, Top Traders proudly serves 85% of the island's retail market.

— Whats New

Organipak: Where Innovation Meets Earth's Essentials!

Driven by a commitment to sustainability and a passion for protecting our planet, we're redefining the future of food service. Our products are designed not just to serve but to enrich—turning everyday choices into acts of environmental responsibility.

With Organipak, you're choosing more than just packaging. You're choosing a path to a greener world, one where every product tells a story of innovation, care, and respect for the earth's essentials. Join us in our journey towards a sustainable future, where every meal is an opportunity to make a difference.

— Whats New

Fundamentals: Raising the Standard of Clean!

At Fundamentals, we believe cleanliness is more than a standard—it's a responsibility. As a division of Top Traders Inc., and exclusive distributors for Puerto Rico and the Caribbean, we've spent the last 17 years delivering institutional and industrial cleaning solutions that combine performance, safety, and efficiency.

Our highly concentrated formulas, paired with automated dispensing systems, ensure precise dilution and maximum impact—reducing waste while increasing effectiveness. From Warewash and Housekeeping to Industrial Laundry and Hand Care, every product is supported by a full-service program that includes certified staff training, properly labeled application tools, and clear wall charts and signage for every work area.

Choosing Fundamentals means choosing a cleaner, smarter, and more professional environment—built on trust, innovation, and an unwavering commitment to quality. Let's raise the standard of clean, together.
