Note:

- Completing this form does not guarantee cost-share financial assistance.
- Construction/installation/implementation of a project started prior to contract approval by DOC will result in ineligibility for cost-share financial assistance.
- An on-site evaluation of the resource concern may be conducted by the NRCS staff to determine type and eligibility of the project.
- Each proposed project will be evaluated and ranked based on established criteria.
- If approved for cost-share financial assistance, the landowner(s) must sign a contract agreeing to the terms set forth in the contract.
- You will be notified of the status of your request for cost-share financial assistance by a letter from the Ottawa County Conservation District after July 13th of the current year.

Funding for state cost-share programs is provided by the Division of Conservation, Kansas Department of Agriculture through appropriation from the State Water Plan Fund.
