Tall Tales Told by a Talkative Texan

This ain't no plain 'ol story time, Partner. Sure, it's family friendly fun for the young 'uns (grades K-5 will enjoy it the most), but it's also an honest-to-goodness 40-minute show that the kiddos help perform! Rita selects eager volunteers from the audience and provides them with costumes and lines so they can take part in the tellin' of the tale. She'll even bring her puppet friend Arty the Armadillo along for the fun.
