

The Episcopal Church at Yale

Dear Friends of the Episcopal Church at Yale,

Some exciting developments are afoot at ECY!

First, we are introducing the ECY Fellowship Program. This formation program is designed to give select students hands-on training in different aspects of ministerial leadership. We are

piloting three fellowships this semester, each with distinct areas of responsibility. With your support, we can endow and extend this important formation program—and ECY's visibility on Yale's campus—through this year and beyond.

Second, all Yale alumni donations to ECY will count for class credit from November 3-10. For this one week in

November, your gift to ECY through the YaleSOAR portal not only funds ECY—but will also count towards Yale class credit. YaleSOAR (Student Orgs Annual Raise) is a new program run by the Yale Development Office that both equips and teaches Yale students how to fund raise.

This partnership with YaleSOAR is exciting for our organization. Though deeply affiliated with Yale for more than 150 years, ECY is actually a separate 501(c)(3), which means we have to raise our own private support. Giving to ECY through the YaleSOAR portal is a first, and a fabulous, opportunity to give to ECY while also giving to Yale. Find out more at www.episcopalyale.org/contribute.

FUND OUR FELLOWS
FUND OUR FAITH
FUND ECY

A NEW WAY
TO GIVE!

Are you a Yale alum?

From November 3-10 only,

you can give to ECY's
new Fellowship Program
through

the YaleSOAR program

When donated through

YaleSOAR, your gift
will help us pilot this
inspirational program

AND it will count toward
your Yale giving total!

We are so grateful to you for your continued support. If you choose not to donate through YaleSOAR in November, donations can be made online directly through your Realm or PayPal account (episcopalyale.org/contribute) or by sending us a check using the enclosed envelope.

Your gift to ECY helps to continue the long tradition of being a worshipping community at Yale that forms and transforms, and allow us to continue creating opportunities for service, prayer and fellowship.

Gratefully,

Rev. Ali

"I've really enjoyed getting to be a bigger part of the work that supports ECY. ECY has meant a lot to me and offered me support when I needed it, and I'm very glad to be able to give back through this important work."

"I enjoy being an ECY Fellow because it lets me have an impact in spreading my faith among my fellow students on campus. ECY is a close-knit community and I'm happy to help spread the word to grow ECY's ranks."

"Every week, I make the bulletins, ensure our post-service dinners run smoothly, and reach out to prospective members. I came into ECY at the very beginning of last year as a junior transfer student and was so happy to find such a welcoming group of students that continue to make my Yale experience a great one!"
