

Proceeds benefit Ennis Center's programs
for abused and neglected children,
and families in crisis throughout
Southeast Michigan.

Founded in 1978, Ennis Center works with disadvantaged children and families through foster care, adoption, teenage delinquency prevention programs, and mental health services.

During the 2023/24 fiscal year, our foster care program alone worked with 596 children aged newborn to 19 years old. We also provided the permanency of an adoptive home for 153 children from foster care.

With six locations in southeast Michigan, our services reach over 6,000 children and families annually. Your support allows us to continue helping them see the possibility of a future better than their past.

**Please call Ennis Center's Development
Department at 810-233-4031 with questions.**
