About Peoplebank 39

A Message from Singapore's Managing Director

As the workplace continues to evolve at an unprecedented pace, staying ahead of talent trends isn't just strategic - it's essential. Economic shifts, technological advancements and changing employee expectations are reshaping compensation landscapes faster than ever. In this dynamic environment, having accurate, actionable data is your greatest advantage.

We're thrilled to present the **Peoplebank Salary Guide 2026**, your comprehensive resource for navigating the complexities of talent acquisition, retention and compensation planning in the year ahead. Drawing on insights from thousands of placements, industry surveys and market analysis, this guide delivers:

- **Benchmarked Salaries & Benefits:** Detailed compensation ranges across industries and roles in Singapore for 2026, adjusted for inflation, skills demand and market volatility.
- **Emerging Trends:** Analysis of critical shifts - from AI-driven roles to hybrid work policies - and their impact on pay structures.
- **Retention Strategies:** Data-backed approaches to address turnover, including equity, flexibility and skills-based rewards.
- **Job Role-Specific Insights:** Tailored guidance to align your strategy with industry momentum.

The future of work demands agility, foresight, and fairness. Whether you're scaling teams, refining your compensation philosophy or competing for top talent, this guide transforms uncertainty into opportunity. With the Peoplebank Salary Guide 2026, you're equipped to build a resilient, motivated workforce - and a business poised to thrive.

Thank you for trusting Peoplebank as your talent partner. We're here to support your success in 2026 and beyond.

Yours Sincerely,

Mae Tam

Managing Director

About the Salary Guide

All salaries listed are **base salaries per month only** in Singaporean Dollars (SGD) and do not include bonuses, commissions or other benefits.

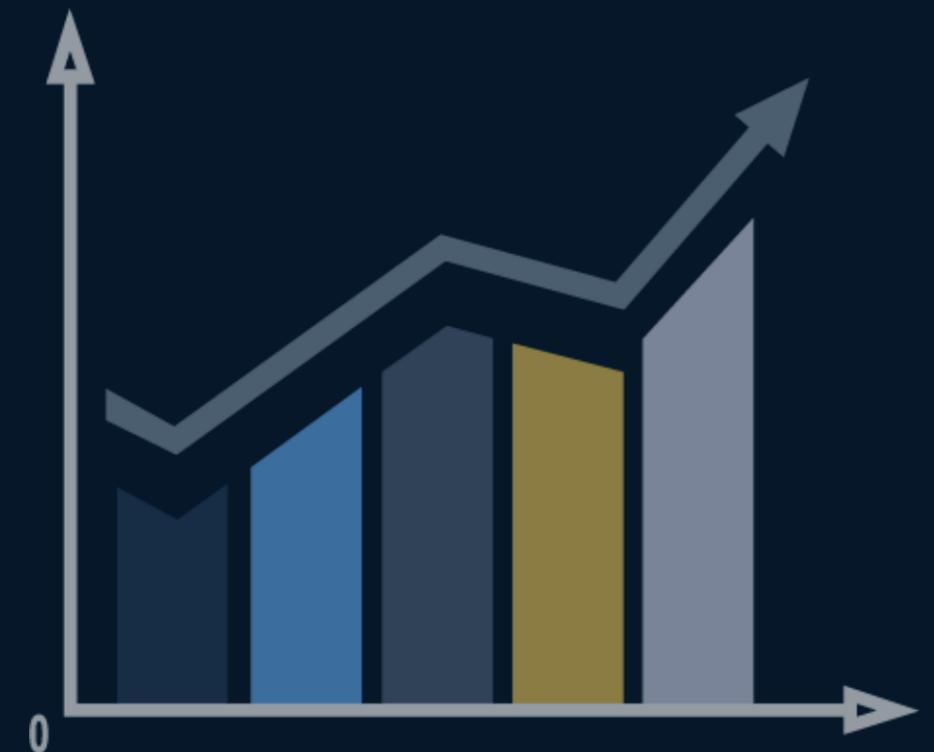

The Peoplebank Salary Tables are based upon employment activity and internal candidate data from the past 12 months.

When formulating salary ranges, as a general rule..

Minimum: The lowest salary expectation within the Role.

Maximum: The highest salary expectation within the Role.

The Peoplebank Salary Tables are for reference only and actual salary ranges can vary.

A man and a woman are standing in a server room, looking at a tablet together. The man is on the left, wearing glasses and a light-colored shirt. The woman is on the right, wearing a dark top. They are both looking down at the tablet. The background is filled with server racks and blue lighting.
