

# Never Sink [Lyrics]

[City Music]

Never Sink

## Verse 1

You know every shape  
Of every crest and every wake  
Every thing that I could face  
You see inside of me

You love deeper than an ocean  
Calling hearts to motion  
Setting feet upon the surface of the sea

You're calling me

## Chorus

Why should I fear the waves beneath?  
My Fear turns to faith when you speak  
With every word i trust in you  
Your voice Reminding me  
If I keep my eyes on you I'll never sink  
If I keep my eyes on you I'll never sink

## Verse 2

You know every shape  
Of every dream you've ever placed  
Every promise that you've made  
You keep your word to me

Every Step I've taken  
You've been there before  
You call my name  
You've made a way for me

## Bridge 1

Doesn't matter where we go  
The familiar or unknown  
I have known your heart  
The depths of who You are

## Bridge 2

It's who you are  
It's who you've always been  
It's who you are  
It's who you've always been  
It's who you are  
It's who you are, It's who you are

## Outro

If I keep my eyes on You I'll never sink
