

ABC LEGALIZED GAMES OF CHANCE COMMITTEE

BRIAN L. HAGAL, CHAIR

Once again, the committee has been successful in advising American Legion posts with information regarding the rules and regulations of the NJ ABC and the NJ Legalized Games of Chance Commission, including a reminder if any advertising appeared to violate any rules.

I am glad to report that the interaction between posts and the NJ ABC has once again declined, and only six posts were cited for violations, which in all cases involved missing or inaccurate documents. These included only one small fine, and the rest were warning letters.

Please remember that the post is responsible for what happens on their licensed property and it is imperative that Legion leadership be mindful of the advertising and events that the Sons of The American Legion, Auxiliary and Legion Riders are doing.

I wish to thank Vice Chair Sophia Dmoch and the office staff for the invaluable assistance in the success of this committee.

Thank you Commander Dan Channel for the opportunity to serve as Committee Chair.
