

HOSPITAL REHAB REPORT

Walter Zjawin, Chairman

I would like to thank the posts and counties who submitted reports. This is a formidable task - to assist our hospitalized veterans during their time of need when they need care. They have comrades to look out and care for them, providing entertainment, outings, dinners, personal needs products, throw blankets, and clothing to wear to events.

The amount of money and time is only the tip of the iceberg of respect and support for those who have served in the United States military.

There are so many things the American Legion family does that are not reported by individuals and American Legion Family. Remember to report on all activities in your Consolidated Post Reports. The more we show what we do as an organization proves the need is there for more assistance. This may open the eyes of the U.S. Senators and Members of Congress to provide more assistance to veterans across our nation.

I would like to thank Commander Dan Channel for the opportunity to serve as chairman of this committee. Also, I would thank the office staff of Newark and Trenton for their assistance.

To conclude I would like to thank all those who have sent their reports. Posts, counties and individuals sending reports show how committed we all are to OUR VETERANS.

Next year I want to see more Consolidated Post Reports submitted. This will show how much our organization truly supports OUR MILITARY VETERANS.
