

ACTION

**I can contribute to mutual
understanding and respect and
belonging by...**

**Our group can contribute to
mutual understanding and
respect and belonging by...**

**Our community can contribute
to mutual understanding and
respect and belonging by...**

**Our politicians can contribute
to mutual understanding and
respect and belonging by...**

**Our parents can contribute to
mutual understanding and respect
and belonging by...**

**Our schools can create cultures
of belonging and mutual
understanding and respect by...**

**If I hear othering comments,
I will...**

**As a result of this
project/training I will...**

**The one small step that is a
priority for me is...**

I will think differently about...

**I can help my community to
improve by...**

One thing I care about most is...

**The best way to meet others from
a different communities/cultures/
ethnicities/races is...**

**I can support my friends to take
part in programmes where we can
explore “the intimacy of honest
differences” by...**

**I can be a champion
for belonging and
mutual understanding
and respect by...**

**I can share
my experience
and learning of
peace-growing by...**

**If I was to create a campaign
to grow and sustain peace
it would...**

**I believe that separation
can be changed by...**
