

GLOBAL

**Are you hopeful about how the
world is developing?
What changes would you like
to see in the world?**

**Do politicians achieve results
locally and globally?**

**In what ways can people
influence change outside of
traditional politics?**

**What 3 core values do you
think the world should
stand by?**

**How can young people best have
an impact on the world?
What does ‘think globally,
act locally’ mean to you?**

**What campaigns
are you aware of
that have made a significant
impact or change?**

**What inequalities
most upset you?**

**How can those who are most
oppressed and experiencing
hardship build resilience?**

**Do celebrities
in the world of arts and sports
play a significant part
in global change?**

**Does advertising and media
promotion work to raise
awareness and create change?**

**Is violence/military force
ever an acceptable way to achieve
personal, political or global goals?**

**How would you describe what
peace is to an alien who has just
landed on earth?**

**Are global events such as the
Eurovision Song Contest or
the World Cup positive ways to
build peace and international
relationships?**

**What do you feel about refugees
and asylum seekers coming
to other countries?
Are borders important?**

**What country or state would you
like to live in?**

**Can you think of any traditions
or foods that come from other
countries that we enjoy?**

**Do you value sameness over
difference?**

**What would be your top priority
for global action? What's the first
change you'd make?**

What impact do global corporations have on local businesses and economy?

**What have we learned from
global wars?**

**Can your rights be better
protected by a more joined-up
approach across countries?**
