Growing Greatness Through Giving

2009/2010

Financial Report

*Prairie View A&M Foundation exists
to develop a culture of philanthropy
among Prairie View A&M University
Alumni and Friends, while supporting
the University to provide world-class
Education, Research, Athletics and
Community Outreach.*

Executive Summary

Dear Alums, Friends and Colleagues:

As a donor to the Prairie View A&M Foundation, your support has assisted the development of the Foundation's infrastructure.

While working with us, visiting our website or paging through our first newsletter, you must agree the Foundation is a reality. Until 2009, Prairie View A&M University relied upon the generosity of donor contributions and fundraising campaigns. In 2009, Prairie View A&M University and the Prairie View A&M Foundation signed an affiliation agreement for the Foundation to serve as 501(c)3 supporting organization for the university to raise funds in support of its ongoing mission.

It's quite amazing when we look back at the journey we have made. I'm certain the Trustees assumed they would have two or three years to build the Foundation's base processes and structure before being requested to take on a major project. It was only months after obtaining the Texas Secretary of State Certificate of Formation, that the university requested the Foundation to assist with a Sports Complex Capital Campaign.

Even though we are in the early stages of the Sports Complex Capital Campaign, we are confident that alumni and friends will contribute towards this worthy goal. As the data supports, universities with winning sports programs and facilities attract the top students. We are excited about the possibility.

We see the day when students, State Representatives, Senators, business and community leaders and friends traveling to and from the state's largest city to the State Capital will pause in amazement, as they pass the road sign and echo in hushed tones of admiration - "It's done, a stadium fitting of the legacy that is Prairie View A&M University."

As you page through this report, please note the commitment of the Trustees as they single handily funded the Foundation's start up. As you review the details, note their keen focus and commitment to *stewarding* the gifts you've entrusted to them.

Thank you for your support and interest in our work. We ask you to continue directing your peer alums and friends to give to the Foundation. We are grateful for your continued support as we *"Grow Greatness Through Giving!"*

Sincerely,

Roy G. Perry
Chairman/President
Prairie View A&M Foundation

*The Prairie View A&M Foundation
envisions Alumni supporting and
ensuring this University of “first
class” continues as a beacon of
hope and a threshold to greatness —
“The Legacy Continues...”*

Joyce Johnson – Team Lead/Web Master
Jean Urynowicz – Special Projects

Prairie View A&M University has thrived for more than 130 years producing thousands of engineers, educators, nurses, doctors, lawyers, military officers and business leaders. When you support the Prairie View A&M Foundation, you become a Legacy Builder. Your tax deductible contribution, whether it is a one-time donation or a recurring donation will help to continue the legacy that is Prairie View.

Our current challenge is to build a new Sports Complex and renovate, preserve and protect existing facilities to ensure our connection to the past.

Why a Sports Complex? Athletics provides a bridge between the current student population, alumni and the general population. We are extremely proud of the Panthers teams that consistently compete and qualify at the highest level of collegiate sports. However, to attract the best student athletes from around the nation and continue our legacy, Prairie View A&M University must develop facilities representative of our capabilities as Champions.

Your donation, when combined with the donations of others like us will make this dream a reality. Construction will be managed in several phases and includes a stadium, an athletic office and training building, new basketball and volleyball practice facilities and upgrades to the Nicks Arena.

Please contact your friends and classmates and ask them to join you and other alumni and friends of PVAMU by contributing a gift to help build our stadium. Their support will make a difference!

Donate today and start your legacy of giving by joining, in *"Growing Greatness Through Giving"*.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Prairie View A&M Foundation

We have audited the accompanying statement of financial position of the Prairie View A&M Foundation (the "Foundation"), a Texas nonprofit corporation, as of December 31, 2009, and the related statements of activities and cash flows for the period from inception (February 19, 2009) to December 31, 2009. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2009, and the changes in its net assets and its cash flows for the initial period then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009**

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Prairie View A&M Foundation (the “Foundation”) is a Texas nonprofit corporation established in February 2009. The Foundation was formed to solicit, receive, invest, administer and recognize gifts which support the educational, research and service missions of Prairie View A&M University (the “University”). The Foundation operates for the exclusive benefit of the University.

The Foundation is primarily supported by private gifts, bequests and donations from individuals and private organizations.

Basis of Accounting

The financial statements of the Foundation are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation

The Foundation’s financial statements are presented in accordance with Financial Accounting Standards Board’s (FASB) Accounting Standards Codification (ASC) Topic 958-205, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC Topic 958-205, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets – These are resources that are not subject to donor-imposed stipulations and can be used for the general operations of the Foundation.

Temporarily restricted net assets – These are resources that are subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time.

Permanently restricted net assets – These are resources that are subject to donor restrictions requiring that the principal be held in perpetuity and any income thereon be used by the Foundation.

When both restricted and unrestricted resources are available for use, it is the Foundation’s policy to use restricted resources first, then unrestricted resources as they are needed.

PRAIRIE VIEW A&M FOUNDATION
(A Texas Nonprofit Corporation)

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009**

In addition, the Foundation is required by FASB ASC Topic 958-205 to present statements of activities and cash flows.

Revenue Recognition

Revenues from contributions, donations and other sources are recognized as unrestricted or temporarily restricted revenues when received or unconditionally promised by a third party. Revenues from special events are recognized when the events are held. Interest income is recognized when earned based on passage of time.

Contributions and Promises to Give

In accordance with FASB ASC Topic 958-605, *Accounting for Contributions Received and Contributions Made*, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Conditional promises to give cash or other assets are not recognized as revenues until received. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions are met in the fiscal year in which the contributions were recognized. All other donor-restricted contributions would be reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

The Foundation uses the allowances method to determine uncollectible unconditional promises receivable. The allowance is based on management's analysis of specific promises made. There were no promises to give receivable as of December 31, 2009.

Contributed Services

The Foundation recognizes contributed services at their fair value if the services provide value to the Foundation and require specialized skills, are provided by individuals possessing those skills, and would have been purchased if not provided by contributors, as established by FASB ASC 958-605-25-26. During the period ended December 31, 2009, the Foundation has recorded \$258,420 as the value of contributed services in accordance with the criteria prescribed in FASB ASC 958-605-25-26. The value of qualifying contributed services is recorded as both revenue and expense in the financial statements. The recorded contributed services are primarily comprised of legal services and radio advertising.

PRAIRIE VIEW A&M FOUNDATION
(A Texas Nonprofit Corporation)

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009**

Cash and Cash Equivalents

The Foundation considers all monies in banks and highly liquid investments with maturities of three months or less from the date of purchase to be cash and cash equivalents. The carrying values of any cash and cash equivalents are deemed to approximate their fair values because of the short maturities of those financial instruments. There were no cash equivalents at December 31, 2009.

Investments

The Foundation carries investments at their fair values in the accompanying statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Property and Equipment

Property and equipment are generally recorded at cost or, if donated, at their estimated fair value at the date of donation. Such donations are reported as an increase in unrestricted net assets unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire or maintain property and equipment are reported as restricted contributions. The Foundation did not receive any donated assets during the period ended December 31, 2009, and does not presently have any assets which have donor-imposed restrictions. The Foundation follows the policy of capitalizing all expenditures for property, improvements, furniture and fixtures, and office and computer equipments in excess of \$500. Property and equipment items are depreciated using the straight-line method based on their estimated useful lives. Maintenance and repairs are charged to operations when incurred. Major improvements and renewals that extend the life of the asset are capitalized. The Foundation had no property and equipment as of December 31, 2009.

Income Taxes

The Foundation is a nonprofit corporation that is exempt from federal income taxes under Section 501(c) (3) of the U.S. Internal Revenue Code ("Code") and comparable State law. Accordingly, contributions to the Foundation are tax deductible within the limitations prescribed by the Code. The Foundation has also been classified as a publicly-supported organization which is not a private foundation under Section 509(a) of the Code. The Foundation did not conduct any unrelated business activities in the current fiscal year. Therefore, the Foundation has made no provision for federal income taxes in the accompanying financial statements.

The Foundation applies the provisions of FASB Interpretation No. 48 (FIN 48), *Accounting for Uncertainty in Income Taxes (ASC 740-10)* – an Interpretation of FASB Statement No. 109 (ASC

PRAIRIE VIEW A&M FOUNDATION
(A Texas Nonprofit Corporation)

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009**

Topic 740, Income Taxes), which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FIN 48 also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. The Foundation believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Significant estimates included in the financial statements relate primarily to valuation of in-kind contributed services and radio advertising.

New Accounting Pronouncements

In June 2009, the FASB issued the FASB Accounting Standards Codification (ASC), which is effective for financial statements issued for periods ended after September 15, 2009. The FASB ASC is an aggregation of previously issued authoritative U.S. generally accepted accounting principles (GAAP) in one comprehensive set of guidance organized by subject area. At the effective date, except for rules and interpretive releases of the Securities and Exchange Commission (SEC), all accounting literature outside of the FASB ASC are no longer authoritative. In accordance with the FASB ASC, references to previously issued accounting standards have been replaced by FASB ASC references. Subsequent revisions to GAAP will be incorporated into the FASB ASC through Accounting Standards Updates. As the FASB ASC did not change existing GAAP, the adoption of the FASB ASC did not affect the Foundation's accounting policies.

In May 2009, the FASB issued guidance (codified in ASC 855, *Subsequent Events*) which establishes a general standard of accounting for, and disclosure of, events that occur after the balance sheet date but before financial statements are issued or are available to be issued. The guidance requires the disclosure of the date through which an entity has evaluated subsequent events and the basis for that date. The guidance is effective for financial periods ended after June 15, 2009. The adoption of this guidance did not result in any significant change in the Foundation's existing practice of evaluating subsequent events through the date the financial statements are available to be issued.

PRAIRIE VIEW A&M FOUNDATION
(A Texas Nonprofit Corporation)

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009**

2. INVESTMENTS

Investments at December 31, 2009, consisting of donated publicly traded equity securities that are stated at fair value based on quoted prices in active markets, are summarized as follows:

	<u>Cost</u>	<u>Fair Value</u>
Stock	\$ 50,316	\$ 58,100

The components of total investment return from investments for 2009 are reflected below:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Total</u>
Dividends	\$ 892	\$ -	\$ 892
Unrealized gain on investments	7,784	-	7,784
Total return on investment	<u>\$ 8,676</u>	<u>\$ -</u>	<u>\$ 8,676</u>

3. FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements*, provides a revised definition of fair value and establishes a framework for measuring fair value. The Statement also establishes a fair value hierarchy that distinguishes between inputs based on market data from independent sources (observable inputs) and a reporting entity's internal assumptions based upon the best information available when external market data is limited or unavailable (unobservable inputs).

The fair value hierarchy in FASB ASC Topic 820 prioritizes fair value measurements into three levels based on the nature of the inputs. The three levels of the fair value hierarchy under FASB ASC Topic 820 are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

PRAIRIE VIEW A&M FOUNDATION
(A Texas Nonprofit Corporation)

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009**

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a summary of the Foundation's investments by level, within the fair value hierarchy, as of December 31, 2009:

	Fair Value	Fair value measurement using input considered as:		
		Level 1	Level 2	Level 3
Equity securities	\$ 58,100	\$ 58,100	\$ -	\$ -

Investments are exposed to various risks such as interest rate risk, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position and the statement of activities.

4. NET ASSETS

The Foundation has temporarily restricted net assets whose use has been limited by donor-imposed purpose restrictions in the amount of \$7,055 as at December 31, 2009.

Unrestricted net assets amounted to \$163,722 as of December 31, 2009 and are available to support the programs and activities of the Foundation.

PRAIRIE VIEW A&M FOUNDATION
(A Texas Nonprofit Corporation)

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD
FROM INCEPTION (FEBRUARY 19, 2009) TO DECEMBER 31, 2009

5. CONCENTRATION OF CREDIT RISKS

The Foundation maintains its cash balances in a local bank. These balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2009, the Organization was not exposed to any custodial credit risk.

6. RELATED PARTY TRANSACTIONS

The Foundation was incorporated in 2009, and is in the process of developing a fundraising plan to solicit and expand its contribution base. The Board of Trustees of the Foundation has mutually agreed to support the Foundation by making cash and in-kind contributions. Pursuant to this commitment, the Foundation has received \$368,228 in the current period as cash and in-kind contributions from members of the Board of Trustees.

In addition, the Foundation paid \$1,871 as professional fees to certain relatives of a member of the Board of Trustees for services provided.

7. SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 12, 2010; the date financial statements were available to be issued. No change to the financial statements for the period ended December 31, 2009 is deemed necessary as a result of this evaluation.

End of Audit Report

Alumni Roll Call

Alums,

The Prairie View A&M Foundation (PVAMF) Trustees and Staff have worked diligently to develop an organization that will serve the university and alumni.

We are very pleased with the success of our sports program, most notably football and women's basketball. To continue those successes, we need the assistance of every alumnus. Your help can make our dreams of a Sports Complex come true. With your continued support we can endow professorships, student scholarships. We can raise funds to retain our best, brightest and most successful coaches.

We've proven that it can be achieved. Through the efforts of the Athletic Director, President Wright and a few alumni, the contract for former coaches, Cynthia Cooper and Henry Frazier were enhanced. The effort allowed PVAMU to attract other great coaches and in turn, led to the SWAC Football and Women's Basketball Championships. Imagine what is possible if each of our 40,000 plus graduates contributed to Prairie View?

Today, we file the 2010 Annual Report for the Foundation. At the printing of the report we've receive donations from 249 donors. If you are receiving this Annual Report direct from the PVAMF, you are one of the 249 and we greatly appreciate your contribution. If someone forwarded you a copy of the report, please become a donor and help us *"Grow Greatness through Giving!"*

Please contact your fellow alumni and ask them to contribute to the success of the University and the Foundation. Visit our website at www.pvamf.org and download your copy of the Sports Complex Phase 1 plans. Visit our website Multimedia page where you can download and print other documents that may help you as you help us, help PVAMU.

Please feel free to email any of us at info@pvamf.org and join us in our effort.

Thank you in advance for helping us to reach other alumni.
"Who you rootin' for ?---PVU."

Sincerely,

Board of Trustees
PVAMF

Alumni Roll Call - Every Alum Is Needed

" ... Alums, we need your Help! It's time to contact our Alumni, they are needed!"

Each of us gained an opportunity from PV and we each grew,

It's time to ensure PV continues providing today's student the same opportunity that it provided you!"
