

ARCHITECT / ARCHITECTURAL TECHNOLOGIST

2-3 YEARS PROFESSIONAL EXPERIENCE

We are seeking to expand our team to work on the technical management and delivery of a number of exciting new mixed-use schemes. This is an ideal opportunity for you to progress your career within a long-established Hampshire based Architectural practice.

This role would be ideally suited to someone with a demonstrated track-record of delivering smaller scale projects and design/technical packages for medium sized projects. You will also have the ability to interact well with clients, the consultant team and your colleagues..

The successful candidate will demonstrate:

- Knowledge of UK Building Regulations and construction legislation.
- Effectively and accurately undertake instructions and to adopted company policies and procedures
- Good knowledge of Revit
- A strong portfolio demonstrating depth of technical design
- The ability to work in a team and with autonomy.

We are actively recruiting and your salary will be commensurate with experience and qualifications. For the right person this is a great long-term opportunity combining work on high-profile projects in a friendly practice atmosphere, with a good lifestyle balance.

To apply email recruitment@lsharchitects.co.uk with a covering letter, CV, salary expectation and work samples (maximum 10mb).

Lyons+Sleeman+Hoare Ltd is an equal opportunity employer.

The successful candidate must be able to provide proof of eligibility to work without restriction in the UK.
