

PROJECT ARCHITECT

5-7 YEARS PROFESSIONAL EXPERIENCE

We have an exciting role for an experienced and dynamic Architect to help expand and shape our design team. This will be a key role to develop residential and mixed-use schemes from early concept design stages. This is an ideal opportunity for you to progress your career within a long-established Hampshire based Architectural practice.

This role would be ideally suited to someone with a demonstrated track-record with the confidence to play a major role in the design and management of complex building types. You will also have the ability to interact well with clients, the consultant team and your colleagues.

The successful candidate(s) will demonstrate:

- Excellent knowledge of UK Building Regulations and construction legislation.
- Initiative and a collaborative approach to working.
- Excellent knowledge of Revit.
- A strong portfolio of projects.
- Experience of client facing and day to day project management.

We are actively recruiting and your salary will be commensurate with experience and qualifications. For the right person this is a great long-term opportunity combining work on high-profile projects in a friendly practice atmosphere, with a good lifestyle balance.

To apply email recruitment@lsharchitects.co.uk with a covering letter, CV, salary expectation and work samples (maximum 10mb).

Lyons+Sleeman+Hoare Ltd is an equal opportunity employer.

The successful candidate must be able to provide proof of eligibility to work without restriction in the UK.
