PROFESSIONAL LAND SURVEYOR

Bryant Engineering, Inc. (BEi), a leading western Kentucky Civil Engineering and Land Surveying consulting firm with offices in Owensboro and Bowling Green, is accepting resumes for the position of **Professional Land Surveyor**.

This individual will be responsible for, but not limited to, project management, survey crew management, preparation of plat applications, record keeping, plat preparation, and quality assurance.

Essential Job Duties:
- Project Management, including scheduling, record keeping, generating reports, coordination of plat preparation, etc.
- Submits survey plats, exhibits, certifications, etc. to local agencies, state regulatory offices, and other relevant agencies depending on project location and scope.
- Maintains Professional License

Job Preferences and Requirements:
- Licensure as a Professional Land Surveyor (PLS) is required; Kentucky PLS is required within six months.
- PLS Licensure in neighboring states is desirable.
- The ability to effectively use various personal computer applications, such as AutoCAD, Carlson, MicroStation, or similar surveying/drafting software, GIS software, etc. is required.
- Management and supervisory experience preferred.

Job Schedule:
- Full-time (40 hours per week)
- Work hours are typically 8:00 am - 5:00 pm M-F

Pay Range and Benefits:
- Beginning salary may range from $70,000/annually to $110,000/annually, depending upon relative work experience and education.
- Full-time benefits include:
  - Medical, Dental, and Vision Insurance
  - Paid Vacation and Sick time, plus Holidays
  - 401k Retirement

Application Process:
The job description may be obtained on Bryant Engineering's website www.bryant-eng.com for further information.
