

PROJECT ENGINEER

Bryant Engineering, Inc. (BEi), a leading western Kentucky Civil Engineering and Land Surveying consulting firm with offices in Owensboro and Bowling Green, is accepting resumes for the position of **Project Engineer**.

This individual will be responsible for, but not limited to, project design and coordination, preparation of technical reports and attachments, preparation of permit applications, record keeping, plan preparation, and quality assurance.

Essential Job Duties:

- Project Management, including scheduling, record keeping, generating reports, coordination of plan preparation, etc.
- Applies for construction permits from local agencies, state regulatory offices, and other relevant agencies depending on project location and scope.
- Maintains Professional License

Job Preferences and Requirements:

- A bachelor's degree from a four-year ABET-accredited college or university in a related engineering discipline is required.
- Knowledge of engineering principles, state statutes and federal regulations applicable to site civil engineering design is required.
- Four or more years of progressive engineering work experience beyond a bachelor's degree is required.
- Management and supervisory experience preferred.
- Professional Engineer's license is required; Kentucky PE is required within six months.
- PE licensure in neighboring states is desirable.
- The ability to effectively use various personal computer applications, such as AutoCAD, Carlson, MicroStation, or similar civil engineering software, GIS software, etc. is required.
- A background in site civil design including site layout, site grading, sewer design, etc. is preferred.

Job Schedule:

- Full-time (40 hours per week)
- Work hours are typically 8:00 am - 5:00 pm M-F

(continued on the following page)

Pay Range and Benefits:

- Beginning salary may range from \$85,000/annually to \$125,000/annually, depending upon relative work experience and education.
- Full-time benefits include:
 - Medical, Dental, and Vision Insurance
 - Paid Vacation and Sick time, plus Holidays
 - 401k Retirement

Application Process:

The job description may be obtained on Bryant Engineering's website www.bryant-eng.com for further information.
