

A Message from Hughie Hi Townsville

It's with a heavy heart I let you all know that I will no longer be servicing your garden bags. An Opportunity has arisen that will be the best decision for myself and my family and I have decided to take it on. It has all happened very quickly so it was hard to let everybody know personally and also I'm not very good at goodbyes.

The good news is the new owners Nathan and Catherine who have taken on the business have over 14 years experience in the garden bag industry and will continue to provide you all with excellent service and are honouring all pay in advance credits as well.

You may still see me every now and then helping out where I can but don't be shy saying hello to the new drivers, they're super friendly.

I would also like to take this opportunity to thank you all for your support over the last 8 years. With what started as a little side hustle, quickly exploded into a full time job within a few years and I'm extremely grateful to you all.

*Thank you again
Hughie and Family*
