

Altar Schedule

Happy Spring – Happy Easter

No changes this quarter, except we are now offering gluten-free wafers with communion. They are in the drawer. When we set up for communion, remember the gluten-free wafers remain individual and placed in the small bowls provided. Place the bowls on the table next to the basket. If someone should ask for gluten-free, they will be handy to reach for. I am hoping this will work out well for the communion and helpers and us. If gluten-free wafers are not used, just put them back in the box in the drawer.

This summer, I am scheduling one person each weekend. Perhaps you can enlist your family to help or a friend. As always, I am usually around. My phone number is: 609-8678.
