OUTER BURIAL CONTAINER PRICE LIST

The prices are effective as of **February 9, 2024**, but are subject to change without notice.

In most areas of the county, state or local law does not require that you buy a container to surround the casket/urn in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

To assist you in identifying an outer burial container, we have assigned a numerical symbol to each container. A corresponding numerical symbol has been affixed to the upper left-hand corner of the outer burial container price card, which is attached to the Vault.
