

## **StarLite Pet Spaw Grooming Agreement**

**Pre-Existing Conditions/Waiver:** You agree that StarLite Pet Spaw is not responsible for any known or unknown pre-existing or degenerative medical conditions (or the aggravation of such), including conditions such as heart disease, arthritis, intervertebral disc disease (IVDD), cruciate ligament tears, brachycephalic syndrome, infections, or any other medical problem that may be affected by the grooming process. You understand that shaving a matted pet may reveal pre-existing skin conditions that were unable to be identified prior to shaving and that StarLite Pet Spaw is not responsible for issues that are revealed by the shave or due to shaving a matted pet including skin irritations, poor hair re-growth, coat color changes, nicks to moles or skin growths, aurial hematomas, and other conditions.

**Veterinary Treatment:** In the unlikely event your pet becomes ill, injured, or requires medical attention, StarLite Pet Spaw will attempt to notify you or your Agent as quickly as possible at the phone number(s) you provided. If we can't reach you or your Agent, or in the case of an emergency, you authorize StarLite Pet Spaw to serve as your Agent and agree that StarLite Pet Spaw may seek veterinary care and make healthcare decisions for your pet. You hereby knowingly, and with informed consent, authorize the release of all veterinary records to StarLite Pet Spaw for any medical treatment received by your pet in possible connection with the service.

**Parasites:** Pets with fleas or ticks may receive flea/tick treatment at your expense.

**Vaccinations:** StarLite Pet Spaw requires proof that your pet's Rabies vaccine is current. We also strongly recommend that your pet be vaccinated against certain infectious conditions, including DHPP, Leptospirosis, Bordetella, and Canine Influenza. It is still possible for vaccinated pets to become ill with an infectious condition despite being vaccinated. You agree that StarLite Pet Spaw will not be held liable in the event your pet becomes ill with an infectious condition during or after its service.

**Allergic/Adverse Reactions:** You agree that StarLite Pet Spaw is not responsible for allergic reactions resulting from the manufacturer-recommended usage of any products. Although a pet may experience an allergic reaction to grooming products at any time, flea and tick products are associated with a higher incidence of reactions. Please consult your veterinarian prior to having your pet treated if you have any questions concerning your pet's sensitivity to such treatments. **IF FRONTLINE PLUS FOR DOGS HAS BEEN APPLIED, AVOID CONTACT WITH THE TREATED AREA UNTIL DRY. DO NOT ALLOW THE PRODUCT TO BE INGESTED. DO NOT USE FRONTLINE PLUS FOR DOGS ON CATS.**

If we feel the safety or well-being of your pet and/or an associate is at risk, a muzzle may be used or we may refuse or discontinue service. If we feel the safety or feel that your dog would benefit for any reason including, but not limited to, pre-existing medical conditions, breed-related conformation, or sensitivity to stress, noise and kenneling, and requires the pet to be picked up earlier than service completion time. The following breeds are required to have an Express Groom: English Bulldogs, French Bulldogs,
