## Now Enrolling 26/27 School Year

We are enrolling for the 2026/2027 School Year, and we need everyone's help! If you would like to place a sign in your yard, or can think of the perfect location for one, contact Bev, and we will get one to you!!

You can also refer families to [www.harcatus.org](http://www.harcatus.org) where they can begin the enrollment process or they can scan the QR code, and it will take them directly to start an application for their child.

## Flu Waivers and Dentals

Please make sure your flu waivers are completed. The immunization waiver is now in Child Plus under the Immunization Tab. Directions on how to complete the waiver in Child Plus can be found in the written information that Debbie and April shared at Pre-service in August 2025.

Also, if you have dental appointments scheduled in ChildPlus, check each one to confirm whether the child attended. Then, follow up with Debbie to update her on the status. Please contact all parents of returning children that have a dental exam that will expire over the Summer to see if an appointment has been scheduled. If scheduled, please create the scheduled appointment event in ChildPlus. Be sure to ask where the child is going and document that as well.

SUMMER  
IS  
COMING

## Finishing the Year Strong

We are in the homestretch of the end of the school year. This is a very exciting and busy time of year. Teachers will begin home visits, checkpoints are due, and end of the year plans are being planned. Despite all of the hustle and bustle, please take the time to enjoy your students for the next few weeks! Breathe and enjoy your home visits with families. Have fun with your students and enjoy the warm days.

Instructions will be emailed to you regarding Kindergarten transition kits, end of the year plans and end of the year responsibilities...do not hesitate to reach out with questions or for help. I hope you all have great home visits and make wonderful memories with your students this month.

Thank you for your kindness, generosity, and dedication to the children and their families we serve.  
You make a difference in so many lives.

THANK  
\*YOU\*
