Red Line-Lone Oak

Yellow Line-Mall Area/ West End

***Purple Line-See description below**

** The Purple Line is a special combination route that merges the Blue and Green Lines, both of which serve Paducah's southside. In cases of emergencies—such as bus breakdowns or driver shortages, only three of our four routes may be able to run. The Purple Line maintains reliable coverage for the southside by uniting key stops from both the Blue and Green Lines into one route. A "P" will appear next to bus stop IDs on the Blue and Green Line maps to indicate they are part of the Purple Line. Additionally, bus stop signs that are served by the Purple Line will have a "P" in the top left corner, making it easy to identify locations included in this combined route. Please note the Purple Line will only be visible online and in the app if the blue and green lines aren't active.*
