Back to school

When it comes to school canteen catering, having a core selection of food staples on hand is key. It’s not about loading up on fancy ingredients, it’s about building a reliable pantry of quality essentials that allow for quick, tasty, and nourishing meals.

TINNED TUNA

More than just a sandwich filler

Tinned tuna is a protein powerhouse with surprising range. Of course, it’s the go-to for tuna mayo sandwiches, but it also shines as a jacket potato topper or stirred through pasta with sweetcorn, peas, and a little mayo.

TINNED TOMATOES

The ultimate base ingredient

No school canteen should be without tinned tomatoes. These aren’t just the base for pasta sauces, they’re the foundation for curries, stews, and even creative options like tomato and cheese tarts. Mix with garlic, herbs, and a splash of olive oil for a quick homemade pizza sauce, or simmer with beans and spices for a hearty vegetarian chilli.

PASTA & RICE

Energy-rich staples

Pasta and rice provide valuable nutrition that makes them essential staples in school canteens. Both are rich in complex carbohydrates, offering a steady source of energy to keep pupils alert and fuelled throughout the day. They’re low in fat, easily digestible, and serve as versatile bases that pair well with vegetables and proteins, helping to create balanced, kid-friendly meals.

RECIPE

Butterscotch Trifle

Ingredients

1 packet of Angel Delight Butterscotch
300 ml cold milk
150 ml double cream (optional, for extra richness)
1/2 cup digestive biscuits, crushed
2 tbsp melted butter
1 tbsp dark brown sugar
1/4 cup butterscotch sauce
A pinch of sea salt
Whipped cream for topping

How to

Pour the cold milk into a large bowl and sprinkle the Angel Delight Butterscotch powder over the top. Whisk for about 2-3 minutes until the mixture thickens and becomes smooth and creamy. Set aside to chill for about 10 minutes.

In a small bowl, combine the crushed digestive biscuits with the melted butter and dark brown sugar (if using). Mix well until the crumbs are evenly coated. Spoon a small amount of this biscuit mixture into the bottom of serving glasses or bowls. Press down lightly to form a base.

Spoon a generous layer of the prepared Angel Delight onto the biscuit base in each glass. Top with a dollop of whipped cream, drizzle a little butterscotch sauce over the top, and sprinkle with a pinch of sea salt, nuts and biscuit crumbs.
