

## East Tennessee Vice President's Report

First of all, I want to say what an honor it is to advocate alongside all of you incredible women. The struggles we have overcome, are overcoming, and will continue to overcome are what keeps this world safe. I am grateful for all of you. WE hold each other up. We care for each other, inspire each other, cry with each other, correct each other, keep each other going when we don't know how to keep going ourselves. So thank you from the bottom of my heart for never giving up, for never giving in, and for always choosing to get up one more time.

Since being elected East TN Vice President on October 11th, 2025:

1. I have attended and continue to attend numerous kick off and campaign events in Knox County.
2. I have attended and continue to attend all TFDW zoom meetings and convention committee meetings for the April 2026 TFDW Convention.
3. I correspond with and keep in regular email communication with all ten of the East TN Chapters, Anderson County, Blount County, Carter County, Cumberland County, Knoxville Democratic Women of Knoxville, Greene County, Hamblen County, Knox County, Loudon County, and Roane County. Many chapters are going through leadership changes, but we are working through those transitions easily.
4. Chapters are encouraged to keep in communication with county party chairs and encourage them to include a space for the TFDW on their website.
5. As we continue to strengthen our network, I look forward to travelling to each county represented by TFDW and getting to know all the amazing leaders across East Tennessee.

Although I am new to this position, I have been working with the TFDW Executive Committee and the East TN Chapter Presidents to support Democratic Women across East TN and I look forward to continuing to doing just that in the months and years ahead. I am excited and honored to meet all of you in person and committed to helping women support women!

Dana Moran, East TN Vice President
