

Haywood County Democratic Summary Report  
Hattie Starks-President

During the reporting period, we conducted our annual fundraiser in November, featuring Gerri Green, a gubernational candidate, as our guest speaker.

We continue to hold monthly Democratic meetings on the third Tuesday of each month to support planning and member engagement.

Ongoing efforts includes encouraging voter participation and providing information regarding the Save Act to promote informed civic involvement.

We also participated in National Night Out as part of its community outreach initiatives.

Additionally, representation was present at the Organized Tennessee Democratic Training, contributing to leadership development and organizational capacity.
