Basic Training Steps with
Grumpy Old Max

Basic Training Steps:

- [] Set up a safe space for your puppy with a bed, toys, and water.
- [] Start potty training with a consistent schedule.
- [] Teach your puppy their name and basic commands (sit, stay, come).
- [] Introduce crate training for a safe resting space.
- [] Reward good behaviour with treats and praise.
- [] Begin socialisation with people, places, and other pets.
- [] Establish a regular feeding routine.
- [] Schedule a vet check-up and vaccinations.
- [] Provide plenty of chew toys to prevent destructive chewing.
- [] Start leash training with short, positive walks.
- [] Gradually get your puppy used to grooming and handling.
- [] Practice positive reinforcement - never punish mistakes!
