The Addams Family MUSICAL young@part®

With Heartfelt Thanks!

Every wonderfully weird Addams needs a loyal clan behind them during show week. We'd like to raise a skull... ahem, glass... to the additional ghoulishly great individuals whose eerie generosity made this production possible.

Without their support, none of this magnificent madness would have come to life. Quite literally.

FROM THE PRESIDENT

The best is still to come!

As we begin another exciting season with Horizon West Theater Company, I want to extend my heartfelt thanks for joining us and supporting live theater in our community. Every ticket purchased, every donation made, and every word of encouragement fuels what we do and allows us to keep the arts alive right here in Horizon West.

This season, you may notice our programming looks a little quieter than usual, and for some performances, we're not even in Horizon West or Orange County. That's intentional. Rising rental costs have forced us to broaden our reach when selecting venues, ensuring we can continue offering programming while remaining mindful of long-term sustainability.

We're taking a thoughtful approach to planning our productions, events, and overall growth. Our goal is to strengthen our foundation so we can keep bringing the arts to our community and, ultimately, return to offering more opportunities closer to home in Horizon West.

Our dream of having a space to call our own is more alive than ever. The ACT II Campaign continues to be a driving force behind this effort, and we encourage everyone who believes in our mission to take part—whether by sharing our story, lending a hand, or contributing directly. Together, we can make this dream a reality.

I am endlessly proud of our incredible team of volunteers who bring boundless creativity, passion, and determination to every project we take on. Even with space limitations, they find ways to bring our vision to life and create opportunities for performers, artists, and audiences alike.

This theater is what it is because of you, our community. Your support inspires us to keep pushing forward, to innovate, and to imagine what's next.

The future is bright, and we're so glad you're a part of it.

With Heartfelt Appreciation

Through music, dance, and spoken word, The Spotlight Players will voyage across the town, performing original pop-up events for local businesses, festivals, and residents. The stories we create will be adapted and changed to fit the current time of year, season, or venue we are performing in, which will make us a unique and ever-changing troupe.

Our mission is to use the power of the arts to make the Horizon West community a better place to live, work, and play. Whether singing carols for patients in hospital, creating a pop-up performance for a local festival, or fundraising for charity, we're ready to share our unique talents with our hometown.

FROM THE DIRECTORS

Thank you so much for coming to support the incredible children you are about to see in this production of The Addams Family! We began working on this show in August, and this talented group of young performers has grown and learned so much since then. As directors, we love seeing children catch the “theater bug” and develop a lasting love for the stage.

It's such a special experience to watch from the wings as they hear the audience's applause for the first time. After months of rehearsing, memorizing lines, perfecting choreography, and singing their songs endlessly in the car (sorry, parents!), all of their hard work has truly paid off.

We'd like to thank everyone who has worked tirelessly behind the scenes to bring this production to life and create the joy you'll see on stage tonight. Most importantly, we want to thank all of the parents for nurturing and supporting their child's love of theater. The skills these children have learned—and will continue to learn—will serve them well far beyond the stage.

WHO'S WHO - CAST

BLAKE ARMSTRONG (Pugsley Addams) is 10 years old and ecstatic to perform in his first Rising Stars production! He has previously worked with Garden Theatre as well as Orlando Repertory Theatre and is in drama club and choir at his school. Everyone knows Blake for his sweet and caring personality with a little bit of sass. When he is not performing, Blake likes to be with his friends and work on his fashion designs. He would like to thank his family, friends, and acting/music teacher, Mrs. Kime, for all of their support and help!

EMMA BEERBOWER (Grandma) is absolutely thrilled to return to the HWTC stage as the delightfully eccentric Grandma in *The Addams Family*! Audiences may recognize her from past roles, including Mal in *Descendants*, Cruella De Vil in *101 Dalmatians*, and Dory in *Finding Nemo*, among many others. Emma is grateful to the incredible production team, her supportive parents, and her amazing friends for always cheering her on. She's so excited to bring this kooky character to life—enjoy the show!

GRACE CHOSEN (Moon Dancer) Is thrilled to be in her second show with Horizon West and her tenth musical. It is particularly special that Grace has a dance solo in *The Addams Family* since she had a serious ankle injury and was unable to walk from January until April of this year. She's back! Grace loves dancing, singing, and all things theater. She is grateful to Horizon West Theater Company for the wonderful experience of Rising Stars. It is bittersweet for Grace to graduate from Rising Stars, but she will certainly continue her journey with Horizon West Theater productions. Grace would like to thank her personal Lyft driver—aka Mom—for the encouragement, rides, and snack support.

EASTON DeMICHELE (Gomez Addams) is excited to be performing with HWTC in his third production. His past HWTC roles include Prince Ben in *Descendants* and Augustus Gloop in *Willy Wonka*. LOGAN DILLIER (Addams Ancestor) is excited to be making her Rising Stars debut as part of The Addams Family. You can also catch her frequently on the Atwater Bay Elementary morning news! She loves animals, reading graphic novels, and visiting Disney World.

CONNOR GARCIA (Uncle Fester) is excited to be back with HWTC, this time as the lovable and kooky Uncle Fester! You may have seen him previously as Kristoff (*Frozen*), Chad Charming (*Descendants*), Baloo (*The Jungle Book*), and more, but nothing quite prepared him for joining the delightfully spooky Addams family! He's loving the chance to embrace his inner oddball and bring Fester's wacky charm to life. Big thanks to his amazing family, friends, and girlfriend for always lighting up his life, no moon required!

JAMES GROUSE (Lurch) is excited for his role as Lurch with Horizon West Theater Company. Known for bringing laughter to the stage, James has previously performed as King Louie in *Jungle Book Jr.*, Jay in *Descendants: The Musical*, and in productions such as *Shrek*, *Guys and Dolls*, *Madagascar Jr.*, and *Dare to Dream*. ACT 2

HOME IS ON THE HORIZON

Help us find the perfect space to call home — a future black box theatre and creative studio right here in Winter Garden.

A place to dream, rehearse, perform, and build year-round arts programming for our entire community.

But, we just need YOU to help raise the curtain!

Visit our website to learn how you can join us and be part of building something extraordinary!

Horizon West Theater Company is committed to establishing a permanent home for the arts in West Orange County. Funds raised through the Act II: Home Is On The Horizon campaign will be used to secure and prepare a dedicated performance and rehearsal space for our community. In the event we are unable to finalize a lease agreement for the current property, all donations will be allocated toward future efforts to secure a different space and to expand our programming, in alignment with our mission to provide high-quality arts experiences for our community. We are working closely with a commercial realtor and remain dedicated to finding the right home for Horizon West Theater Company.
