## BEFORE YOUR FIRST CLASS

New Routines. More Independence.

### 1 PACK FOR SUCCESS

**Bring your dance bag into class.** All belongings, including street shoes and jackets, stay in designated dance studio storage areas.

**Stay organized.** Pack all necessary dance shoes, water, and hair supplies to avoid leaving class for forgotten items.

**Silence all devices.** Phones and electronics must remain silenced and tucked away.

**Fuel up between classes.** Only water is permitted in studios. Healthy snacks are encouraged for long evenings but must remain packed away during class.

### 2 LITTLE DANCERS. BIG SKILLS.

Even our youngest dancers are learning to manage their belongings and build independence!

Each **Combo Dance** teacher will communicate their preferred routine for dance bag storage and shoe changes, including when parent assistance is needed.

These routines build confidence and responsibility while keeping our classrooms organized, dance floors clean, and hallways clutter-free.
