

COURIER & EXPRESS DELIVERY CAPABILITY STATEMENT

Time-sensitive, scheduled, on-demand, and secure-facility courier and express delivery services for businesses, government agencies, and organizations. Based in Springfield, Massachusetts, Phenomenal Js combines 16 years of professional transportation experience with documented courier performance, credentialed facility access, and firsthand knowledge of transportation operations.

Our mission is simple: keep critical items moving so our customers can keep their operations moving.

COMPANY OVERVIEW

Phenomenal Js LLC is a veteran, woman, and minority-owned mobile service company headquartered in Springfield, Massachusetts. We provide time-sensitive, scheduled, on-demand, and secure-facility courier and express delivery services for businesses, government agencies, and organizations.

Backed by 16 years of professional transportation experience, Phenomenal Js brings firsthand knowledge of safety, route execution, documentation, customer communication, and time-sensitive operations.

Key Differentiators

16 Years of Transportation Experience

Commercial trucking, passenger transportation, school transportation, refrigerated freight, dry van, HAZMAT, tanker, and other transportation environments.

CDL Class A + Transportation Credentials

Fully endorsed CDL Class A experience and TWIC credential, supporting work in regulated transportation and controlled-access environments.

Documented Courier Performance

Documented recurring and on-demand courier performance across healthcare, veterinary, commercial, residential, and institutional environments.

Small Business Agility

Founder-led operations provide direct accountability, responsive communication, and customer-specific service execution.
