From Captain Bud

Well it looks like the Dog Days of Summer have finally found us!! At my advanced age I find it easy to overheat. Thank god for air conditioning and swimming pools.

The August meeting will be very different from most. As many of you know we always tried to do a pool party meeting at the Elks but due to some changes that is no longer an option. That being said, I think what we are doing is gonna work better anyway.

Cooper Estates is a gated community on the east side of Highway 65 and is between Division and Chestnut Expressway. We are at the clubhouse and pool area. When you come in the front gate just keep going around the curve until you run into a stop sign and you will see the pool area. Just tell the gate guard you are with the special event going on at the pool. I would encourage everyone to be there before 6:30 because the gate guard is not there later in the evening and it makes it very difficult to get you in when the guard is not there! It's BYOB and you might bring a lawn chair too. The club is providing hamburgers, hot dogs and potato chips. If you want to bring anything in addition you may but not required. Scott and Barbie will be entertaining us and will have games around the pool too. Come early!!

The **Pink Ribbon Luau** is coming up very fast. Please keep looking for email from Jannelle about what we need. I know we need lots of wine for a game we're playing and also lottery tickets. Please help all you can, this is our largest charitable event of the year.. See Ya at the meeting. Captain Bud

WE ARE THE PEOPLE OUR PARENTS WARNED US ABOUT

What is it all about?

The purpose of the organization is to promote the international network of Parrot Head Clubs as a humanitarian group sharing information and social activities for mutual benefit.

The organization will engage in activities that are charitable, educational and that promote the general welfare of the community. Parrot Heads in Paradise, Inc. is a Not-For-Profit Corporation, whose purpose is to assist in community and environmental concerns and provide a variety of social activities for people who are interested in the music of Jimmy Buffett and the tropical lifestyle he personified.

This madness started with one club in Atlanta (founder, Scott Nickerson) and has blossomed to a network of over 200 clubs around the U.S. plus international clubs based in Canada, Europe, the Caribbean and Australia.
