From Captain Bud

Happy Independence Day
to all you Parrot Heads!!
It's so nice to live in a country that
we enjoy the freedom we have.

We're very lucky people. And we have the freedom to "Party with a purpose!" We had a blast at the "West Coast Migration" event in Las Vegas. And I didn't lose that much money! I Wish more of you could have come.

We will be meeting at Marty's this month at a different day than normal. On **Wednesday July 9th**. It should be a blast with Ricky Lamb and No Bad Days. Come on out and party.

Don't forget to put the "Pink Ribbon Luau" on your calendar. It's our next big event. We need all of your support on this. More details to come. Enjoy the holiday and I'll see you on the 9th at Marty's. Bud

WE ARE THE PEOPLE OUR PARENTS WARNED US ABOUT

A Little 'bout PHIP

The purpose of the organization is to promote the international network of Parrot Head Clubs as a humanitarian group sharing information and social activities for mutual benefit.

The organization will engage in activities that are charitable, educational and that promote the general welfare of the community. Parrot Heads in Paradise, Inc. is a Not-For-Profit Corporation, whose purpose is to assist in community and environmental concerns and provide a variety of social activities for people who are interested in the music of Jimmy Buffett and the tropical lifestyle he personified.

This madness started with one club in Atlanta (founder, Scott Nickerson) and has blossomed to a network of over 200 clubs around the U.S. plus international clubs based in Canada, Europe, the Caribbean and Australia.
