From Captain Bud

Wow what a hot one!!! In the 90+ degree weather I wish I was on a beach with the ocean breeze blowing in!!

First I want to remind everyone that our monthly meeting is NOT on the first Thursday and has been moved to September 12th and will be held at Di and Gordon's home in Sparta. We have Lancaster Station playing music and will have a great time with food and drink. Look for more details from Di on the event.

Also we have a great event we are helping with this year called **"Musicians For Mutts' to benefit The Humane Society.** We need a lot of help with auction items and volunteers. Please help in any way you can. It is held on September 19th at Archies.

We have a good sized group Heading to Tulsa for the Trop Rock River Phlock to help Tulsa raise money for charity. This has been a great event in past years and I'm sure you will hear a bunch of good stuff from everyone attending!! We will tell you all about it at the next meeting. See you on the 12th.

WE ARE THE PEOPLE OUR PARENTS WARNED US ABOUT

From the Projects Chair

We are supporting the Springfield Humane Society September 19th. Archie's

Bar on the patio. I need several auction baskets.

You can bring them to the September meeting or I can pick up. We need wine for the wine pull. I need volunteers (free) to sign up at our meeting to help with the silent auction table to keep eye on items. Also, the wine pull. I'll get a schedule and sign up sheet made up when you come to the meeting. If you can't attend the event maybe a donation of animal food.

Cash works too! Let's show Archie's and the Humane Society what the Parrot Heads do! We party with a purpose and that purpose to the raise funds for events. Let's help them double \$3,500 raised last year. No cost for entering the event. However, there is for the meal, \$10.00. Bring cash. Lots of things going on besides what we are doing. Thank you! Di

SEPTEMBER TRIVIA!

1) On the 1985 album Last Mango in Paris, the song "Desperation Samba" features a very specific, authentic whip crack. This was recorded by what famous actor?

2) In "A Pirate Looks at Forty" what American city has JB made enough money to buy?
